

Three days - Online training

Pearl-millet Breeding

26-28 July, 2023

This online training program on pearl millet breeding seeks to equip participants with the necessary knowledge and skills to contribute effectively to the development of improved varieties. By focusing on various aspects of breeding, such as germplasm evaluation, trait selection, hybridization, and genomic tools, this program aims to empower researchers, breeders, and agricultural professionals to make substantial advancements in pearl millet improvement.

Course Fee

Students: Rs. 3000 +18% GST (Rs. 3540/-)

Professionals: Rs. 6000/- + 18% GST (Rs. 7080/-)
